

## Letters to the Editor

---

### **An Invitation to submit Letters to the Editor**

Myanmar Medical Journal will include the letters to the editor section in the coming issues. Those who wish to comment on an article published in Myanmar Medical Journal will now have an opportunity to do so.

Please note that Letters to the editor should be no more than 500 words with a maximum of five references. They must be received within (6) months of an article's publication. Letters received after the deadline will not be considered; those accepted will be sent to the author(s) of the article under discussion for reply. Further comment beyond the author's (s') reply to the letter will not be considered. Authors will be notified about the disposition of their letters. All accepted letters will be edited.

Be sure to write your full name (and title, if relevant) and to include your address, phone number, and e-mail address.

The letter is to be submitted electronically to **mmammjpool@gmail.com** and **mmj@myanmarmedicaljournal.com**.

#### **Please send your letters to:**
